THE ANIME VOLUME 4 OF THE COMIC ON SALE

MESSIAH APPEARED!? THE TRUTH IS BROUGHT TO LIGHT!!
Detective Messiah Reed...!?

Oh lord...!
Isn't he the missing person the chivalric order is in a frenzy looking for...!
The present feudal lord of Zumen
Melvin Birch
...No, your true identity was "Amadeus Flockhart" of the "sanguinists".
.....
One of the seven present lords feudal lord of Parva Nota
Julius Aircy
Calm down, Melvin.
The present feudal lord of Orlade
Adonis Regna
The interested party involved in this incident strongly asked for him.
I surely knew that when I let him in.
You must be fully prepared?
At any rate...
It goes without saying...
The present feudal lord of Sans Plenum
Longinus Duberry
You, a member of the treacherous group who assassinated the emperor, are brave enough to stand before us, the seven lords.
The present feudal lord of Oct Nota
Zilda Chamberlain

I came here fully aware of the fact that I'll be imprisoned
so that I could reveal the truth of the emperor's assassination...!
ONCE YOU ENTER THE CASTLE, THERE'S NO ESCAPE
YOU'VE HIDDEN YOURSELF SO WELL, BUT IF IN THE WORST-CASE SCENARIO YOU'RE CAUGHT, YOU'LL BE EXECUTED, YOU KNOW...?
No, they'll listen to me exactly because I'm one with the perpetrators.
.....
This may become my last job as a detective...!
I'll expose this country's darkness even at the cost of this identity

I DON'T GET IT COMPLETELY.
BUT IN SHORT, THERE'S A TRAITOR AMONG THE SEVEN LORDS WHO PLOTTED THE EMPEROR'S ASSASSINATION
FOR BOTH EWAN AND US, WHO RESCUED EWAN,
THIS WILL BE THE END...!
THERE WAS A RUMOR FROM A WHILE AGO THAT SOMEONE LIKE THAT EXISTED...
THE MAIN ISSUE HERE IS WHETHER HE CAN EXPLAIN EVERYTHING NOW
IF HE CAN'T...
...I have a certain document here.
This document was encrypted,
and an ordinary person cannot possibly decipher it.

Even if we had spies find the keys to crack the code the documents were changed with,
It would still be difficult.
Those guys gave us a hard time
It's a ciphertext used by the sanguinists.
...I have a feeling I've seen something similar several times.
If you need the keys, they're here.
All higher-ups of the sanguinist group secretly carry these 13 keys.
I deciphered the documents with these keys.
IT WAS TROUBLESOME RETRIEVING THESE
HE'S GOT A LOT OF THINGS HIDDEN EVERYWHERE--

These proved to be the instructions sent to the spy Othello from "a certain person".
"Annihilate the descendant of the Ignis emperor in the thousand-year labyrinth castle
as well as all records"
"Leader of the sanguinist group, Longinus Duberry"
Wha...
Leader of the sanguinist group...!?
Could it be that you were one of the seven lords and leading an extremist group at the same time...?
Longinus, it was you ...!?
...Ppt.

It's true that I'm the lord of Isca who is rumored to be the head of sanguinists.
Also, since the emperor candidates' election,
we've been political rivals with the assassinated emperor Elbert.
You can't help but suspect me.
However, think about this.
If I'm the first suspect, why would I leave behind a document that would arouse even more suspicion?
Moreover, a letter or two can be forged.
Now that I think about it, that's true. .
You can't make conclusions based on one letter...
...Actually, this is not the only document in my possession.
There are roughly 300 other documents.

It was Longinus who proposed building a dam on the Kyrillos Lake where the thousand-year labyrinth is to the emperor
For instance, this one
It's a plan to build a dam on one of the emperor's lakes
True...!
Together with a terribly detailed blueprint of the dam...!
Damn!
He ended up completely selling the property!
That means Duberry's had planned to make the castle sink from long ago...
And it states the decisive reason behind the emperor's assassination.
And this is a document from 10 years ago.

HAD TO BE KILLED...
SO MY FATHER...
And what is the reason...?
Decisive enough for treachery...!
It's the formidable narcotic plant "v...nicurus"...
Over many generations, it was the main source of income of the poor Isca Rinnum.
Emperor Eibert prohibited its cultivation and distribution.
That was the real motive.
Minister Duberry spelled it out here himself...!!

Stop lying!!
I couldn't have written something like this..!
However...
Since we've acquired something thought of as evidence,
we must inspect everything.
You— disposed of My Father so that you could take over the country—?
For a mere flower...?
"Mere" you say?
Someone!!
Call the guards!!

That man wouldn't allow the weakness of the people indulging in the flower.
That's it.
But I have the duty of relieving the poverty and the agony of the population.
That's wrong.
The money you earned from that flower was not for the population.
All of it was invested in the lunatic group of sanguinists and the training institution "Rubrum Lux".
You are a damned man with nothing to him but ambitions.
Amadeus... you're...

a genius crafted with this filthy money.
I thought to make you the emperor...!
...! As your puppet...?
Not in a thousand years....!
You, a leader of the extremist group,
It didn't take a lot of time to realize you were a feudal lord.
And at that time, I decided.

That I'll gather the evidence of Longinus Duberry, one of the present seven lords being a traitor,
and someday expose this country's darkness..!
You dog..!
.....!
You seriously think that Ignis boy is suitable to be the emperor?
!
There's nothing miraculous in his blood!
He's an extremely mediocre kid, just so you know ..!!
Sheesh, he's not worthy of being called a sanguinist.
In the end, the power to unify is everything for a lord.

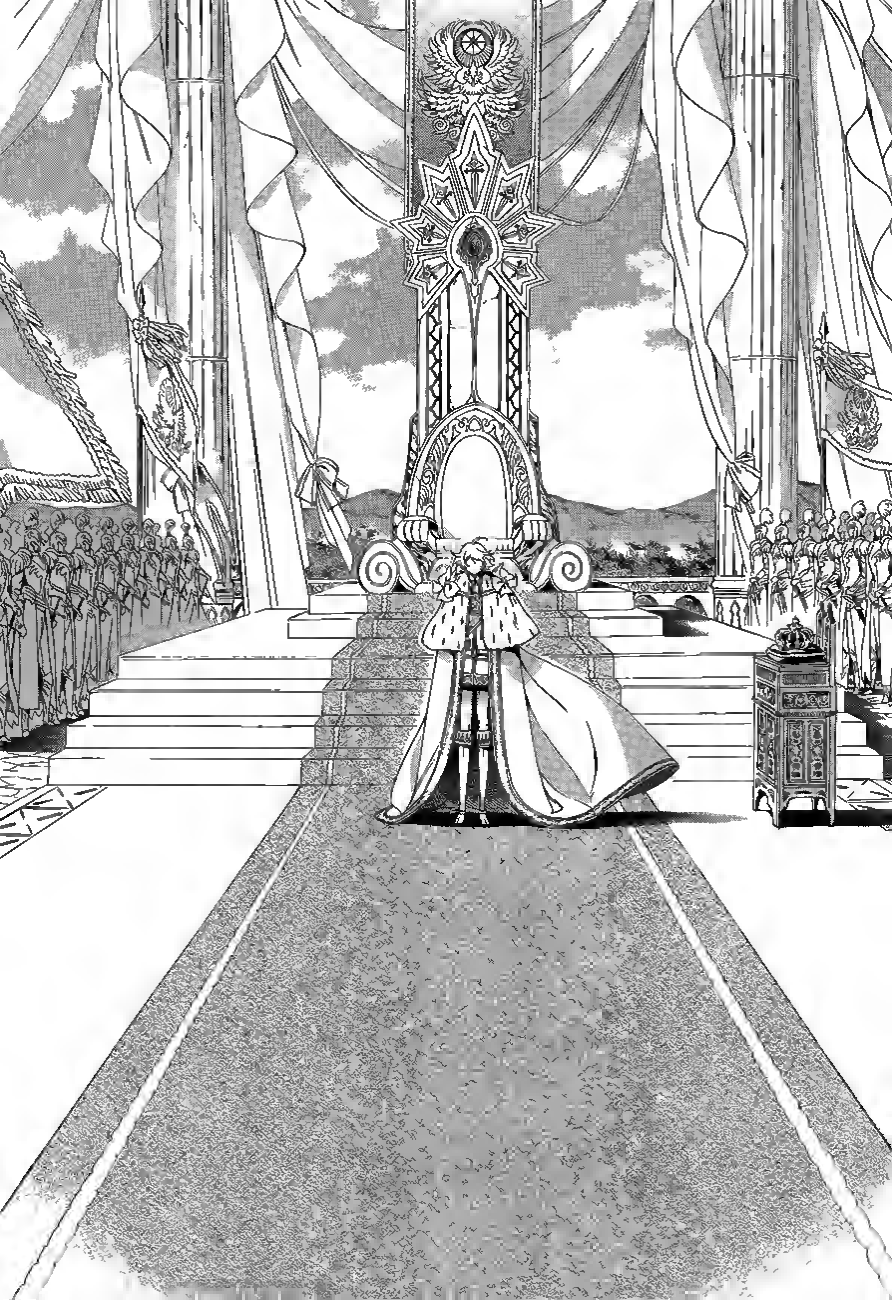
Up until now, I haven't answered to anyone.
I haven't been fascinated with either the organization, or you, or the allurement of the red flower..
There's only one person for me
A person who, for some reason, charms me and makes me willingly fall on my knees before him.
And that is Ewan Juno-Ignis...!

So ..
Anyhow, the evidence Meesiah gathered was colossal
How was it...?
Seems like the imperial palace are also having issues with the deciphering.
At any rate, with that, he should not escape punishment
By the way.
Looks like that Longinus guy is going to be sent to the "everlasting prison".
It's kind of complicated.
I was also almost dropped into the everlasting prison...
Same for me, anything but that place!
Titus? Coming in through the window again ..
That aside, Titus.

Since when did you know that Messiah safely escaped from the labyrinth castle?
From the very beginning
After swimming to the shore, I found something when I was wandering around.
"Before dawn"..
"North-west"..
"Calm"..
"Not a word to anyone"
He constructed a message using a code only our thief gang knows.
In the end, once he got out of the water, he had to go undercover to hide from both the sanguinists and the chivalric order ..
The only one who could've pulled off such an imitation was no doubt that bastard.
When we reunited, I, first off, fed him one of my punches as promised,
and then we carried out his plan.
First, you release Lawrence.
MOVE MOUSE
And so,..
Where's Messiah now...?

He's in jail now, of course.
He said that if he, who was used by the sanguinists, walked free,
that would affect Ewan's reputation or something
He doesn't plan on getting out for a lifetime.
Eh...
It... It can't be.
It was Messiah who saved me from the false charges.
What— in the world... am I supposed to...
Ewan.
There's one thing you can do.

Become the emperor already
and release him in amnesty.
ゴォン
ゴォン
ゴォン
ゴォン



Ewan.
The new feudal lord of Solem, His Highness Gideon Redfield
Gideon...!
Well, anyway.
I deem you this country's emperor.
Shouldn't it have been fine even without me, after all..?
Messiah's amnesty
You're still thinking about that?
If it wasn't for you, Messiah wouldn't have accepted the amnesty without struggle.

The new feudal lord of Parva Note, His Highness August Morgan
It's too late now!
What do I do, I feel like I'm still not mentally prepared...
I'll listen to your complains after the investiture ceremony's over!
I'm counting on you from now on, Ewan!
Ehhh. .
Are you there, Ewan?
I'm here.
The new feudal lord of Oct Note, His Highness Zan Audupon
My heart is beating so loudly today that I can barely hear other sounds
Anyway, be quiet for now,
Okay...
Your Majesty the emperor.

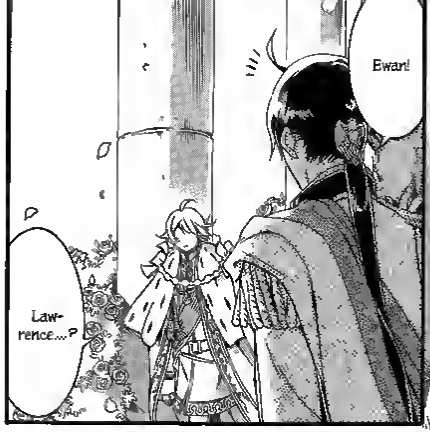
A nervous Zan is a rare sight.
I wish Your Majesty, the Emperor, all the happiness with the imperial reign.
This is because it is not my stage,
it is yours.
Thank you...!
I don't really get it
but that chivalric order
The new feudal lord of Rumen, His Highness Titus Ram
were chasing me just the other day
but they're bowing their heads all of a sudden.
That's their job, there's no helping it...
Titus ..
To be honest, I...

still think you should've become the real emperor.
Yeah, I know.
But only you and I are thinking that way.
That's why, don't let it bother you.
I don't mind being the brotherly figure of the emperor ♡
Also, You're already accepted in the thief gang.
Please don't listen to him, Ewan.
The new feudal lord of Isca Rinnum, His Highness Amadeus Frockhart.
HUH !?
I'm so happy you're finally out of prison, Messiah .!

Thanks, Eward!
Titus gladly accepted his amnesty
but you didn't agree to be released until yesterday.
"I deem Ewan Juno as His Majesty the Emperor".
Why such a rant tone?
Why does it feel way stiffer than the oath you gave at the labyrinth castle...?
Now, hurry to the altar
That one was the real deal, that's why.
Since I still haven't served my full prison term
Um.. And what about becoming the prime minister like we discussed...
チチ
HE SUDDENLY TURNED ME DOWN.....
Unfortunately, I have to decline, Your Majesty.
Hmm?

The new emperor, His Majesty, Ewan Juno-Ignis...!!
WHAT DO I DO, I HAVE NO SELF-CONFIDENCE...

His riding in a palanquin seemed to go well.
What would we do if he had fallen off..
It is Ewan, he should have been fine!
I wouldn't have forgiven anyone if he'd fallen off!
For now, let's decide who'll be doing what by drawing a lottery.
Isn't it fine! Even if he'd fallen a couple of times!
If not for it, we won't have enough people.
There's also at least one dead weight
We'll manage somehow!
I have a bad feeling.
Let me return home at least once every two days.
ゴォン
ゴォン
ゴォン
The previous seven lords... Let's make them help us with that, too.
You're a demon...



Ewan!
Law-rence...?

Why didn't you come to the investiture ceremony?
That's because the seven lords were dismissed.
A nameless me didn't have the right to stand there

But... Now that you've become the emperor,
I can finally...

become a true knight...!!
Even without me becoming the emperor, you could have become a knight.
I couldn't.
Knights are deemed true knights only when they pledge their loyalty to the emperor.

To me, the only emperor I could ever pledge my loyalty to
is you, Ewan.
.....
From this moment on,
you're my knight, Lawrence.

I wonder what faces they'll make...
Once everything's settled...
I thought of calling my brother and our friends from Marie Island.
I'll introduce them to you!
Yes, definitely
Marie Island... I'm quite far from it now...
...I'm
It's alright, Ewan.
When people don't see eye to eye, it's because their hearts have become distant.
actually anxious
Even a fine man like your father couldn't see eye to eye with his comrades.
If so, I'm...

Like stars that are always there when you look up to the skies,
or the shadow that cannot be separated from your feet,
when people's hearts are close together,

WE CAN OVERCOME THAT EVERLASTING LABYRINTH.
